ABOUT PUP ACADemics BRANCHES AND COMPUSSES STUDENTS ALUMNI RESEARCH LIBRS MEDIA

Media

Communication Management Office

The Communication Management Office (CMO) communicates the vision, goals, objectives and priorities of the University to its stakeholders; builds and protects the university image, visual identity and brand as "The Country's 1st Polytechnic;" that is dedicated to the service of the Filipino Masses through media relations, creative works, and in collaboration with different offices involved in the communication process inside the University; develops and implements communication policies; serves as the university-wide communication center that facilitates information dissemination from top to bottom and bridge feedback from the campus to the EXCOM; provides news and information content through the official newsletter and university website, as well as social media websites and PUP CreatV; and performs other functions as may be assigned from time to time by the University President.

Creative Media Services

The unit under CMO that captures and promotes all the significant events and accomplishments of the University through an intensified multimedia, film, photo, audio-visual production and social media.

Media Relations Services

The unit under CMO that provides accurate information about the University to the media. This unit links to all forms of media in promoting all the achievements of the university.
