LIFTED FROM UNIVERSITY POLICIES AND GUIDELINES OVPAA P.28-30

GUIDELINES ON THE RECRUITMENT AND HIRING OF NEW FACULTY MEMBERS

In the interest of the service and as a matter of policy, the following guidelines for the selection and hiring of new faculty members shall be strictly followed to ensure academic excellence:

1. APPLICANTS MUST POSSESS THE FOLLOWING QUALIFICATIONS:

1.1. Personal

- 1.1.1. They must be mentally, physically, emotionally, and morally fit
- 1.1.2. They must have a wholesome, acceptable, and pleasing personality;
- 1.1.3. They must exhibit self-confidence; and
- 1.1.4. They must have a very satisfactory communication skills in English and/or Filipino

1.2. Educational

- 1.2.1. They must be holders of a master's degree, the specialization being related to the field in which they shall be hired to teach; and
- 1.2.2. Where no applicants are master's degree holders, bachelor's degree holders may be considered in accordance with the following priority scheme:
 - 1.2.2.1. Bachelor's degree holders with academic honors such as Summa Cum Laude, Magna Cum Laude, or Cum Laude and with one-year teaching experience or its equivalent;
 - 1.2.2.2. Bachelor's degree holders who belong to the first ten successful board examinees and who have a one-year teaching experience or its equivalent;
 - 1.2.2.3. Bachelor's degree holders who have passed the required board examination and who have actively practiced their professions for at least one year or its equivalent; and
 - 1.2.2.4. Bachelor's degree holders who have been in collegiate teaching on a full-time basis and who have engaged in educational research for at least one year.

1.3. Professional/ Employment Experience

- 1.3.1. They must have at least one year of college teaching experience;
- 1.3.2. If without any teaching experience, they must have a minimum of one year of professional experience related to their field of specialization;
- 1.3.3. They must have at least a very satisfactory performance rating in their previous employment;
- 1.3.4. Where a course or academic program requires a licensure examination, the teaching applicants must possess the required or appropriate license; and
- 1.3.5. The two-year college teaching experience may be waived in favor of qualified graduates with an appropriate master's degree.

Sir,

Thru: Dr. Manuel M. Muhi
Vice President for Academic Affairs

For your consideration.

Prof. Adam V. Ramilo
Director, Human Resource Department

Sir:

We are endorsing Engr. JOHN R. DELA CRUZ as a part time instructor in our department.

He is a Bachelor of Science in Electronics and Communication Engineering graduate of this university and was a board passer since December 2013. Presently, He is enrolled at De La Salle University pursuing a Masteral Degree in Master of Science in Electronics and Communications Engineering. He is completing his final thesis requirement and expected to graduate within this school year. He also has teaching experience with different College and Universities in Metro Manila.

Attached are his credentials for your perusal.

Hoping for your favorable action.

Very truly yours;

Engr. John S. Canino
Chairperson
Computer Engineering Department

Recommending for Approval

Vice President for Academic Affairs

DR. GUILLERMO O. BERNABE
Dean, College of Engineering

Dear Dr. De Guzman:

Good day!

I would like to express my sincerest intent to apply for a teaching position in your prestigious university. Given the experience in teaching ECE and allied subjects, I believe I can share the least of my knowledge to the students.

I graduated on May 2013 at Polytechnic University of the Philippines-Manila with the degree of Bachelor of Science in Electronics and Communications Engineering and passed the Electronics Engineering Licensure Exam on December 2013. I recently worked as an Instrumentation and Control Engineer at JOC Philippines, Inc. and now pursuing my Masters of Science in Electronics and Communications Engineering (MSECE) at De La Salle University under the BRDT Scholarship of DOST. Part of my master's research area, I am currently working on the Smart Farm Project concentrating on the Automated Irrigation System.

I am currently connected with Ateneo de Manila University and FEU Institute of Technology as Lecturer for ECE and CPE subjects. I was a former faculty member at the Central Colleges of the Philippines - College of Engineering, handling professional ECE subjects like Digital Communications, Transmission Media and Antenna Systems, and Electronics 2 (Electronic Circuit Analysis and Design). I'm also handling Senior High School students in the Science and Technology, Engineering, and Mathematics (STEM) strand.

Looking forward for the opportunity to be interviewed for the position I am applying for. Attached here is my resume for your reference. You may contact me at the number and e-mail address below.

Thank you for taking time in reviewing this letter and the accompanying materials.

Sincerely Yours,

ENGR. JOHN R. DELA CRUZ, BV11P8
