OFFICE MEMORANDUM NO. 18
Series of 2015

December 21, 2015

TO: THE CHAIRPERSONS AND DEANS OF COLLEGES
FROM: DR. MILAGRINA A. GOMEZ

Please be reminded of the guidelines on the distribution of subject loads to faculty members during our meeting on October 23, 2015,

1. Faculty members in the University are evaluated in terms of the four (4) functions of higher education institutions as reflected in the IPCR such as: instruction, research, extension, and publication. As such, we limit teaching load of a regular or part-time faculty member to a maximum of 39 units to give elbow room for other functions if he/she has a Very Satisfactory or Outstanding student rating.

For every function, we assign a 3-unit equivalent load for these functions. Thus this distribution:

1.1. Instruction	
a. Regular load	- 15 units/hours
b. Part-time	- 12 units/hours
c. Temporary Substitution	- 12 units/hours
Sub-Total	39 units/hours

=====
Equivalent load

1.2. Advising	- 10 hours
1.3. Research	3 hours
1.4. Extension	3 hours
1.5. Publication	3 hours
Total	58 hours/week

2. If the load is not enough in the college where the faculty member belongs, he or she can teach in other college/s provided they inform their Chairperson/Dean about their teaching load in other department/s. Likewise, the Chairperson from the other college who will assign additional load to the faculty is duty bound to inform the Chairperson of the mother college where the faculty belongs about the teaching load he/she intends to assign to the concerned faculty.
3. Advising time should be strictly observed and should not be in conflict with any teaching load.
4. In the interest of the service and in compliance with COA rules and regulations, the Dean is reminded to submit to this office teaching assignments not later than two weeks after the opening of classes for each semester. Non-compliance will mean service rendered will be subjected to COA rules and regulations.

Furthermore, it is the responsibility of the Chairs/Deans to observe the existing university policy implemented in assigning subject loads to the faculty members.

7.1.1.1 Regular Load

7.1.1.1.1 A teaching load of 15 hours a week shall be required for a full-time faculty member.

7.1.1.2 Reduced Load

7.1.1.2.1 The teaching load prescribed above may, however, be reduced in case a member of the faculty is assigned either to undertake research, creative writing or related activities; to perform administrative function or committee work, in which case, the Dean or Director may recommend the appropriate reduction in teaching load based on University policies.

7.1.1.3 Extra Load

In order to allow every faculty member a fair and equitable chance of enjoying the privilege of getting assignments for extra-load teaching, the following factors are given primary considerations:

7.1.1.3.1 Teaching Efficiency

Based on the latest Performance Evaluation System (PES) for Academic Area and Student Evaluation Ratings, the distribution of extra teaching loads to faculty members shall be as follows:

PES Rating	Maximum Extra Teaching Load
Outstanding	9 - 12 hours a week
Very Satisfactory	3 - 9 hours a week
Satisfactory	0 - 3 hours a week

7.1.1.4 Part-Time in Other Institutions

Regular faculty members who wish to teach part-time in other educational institutions may be permitted, provided they have not been given the maximum part-time load in the
