COLLEGE OF ENGINEERING
COMPUTER ENGINEERING DEPARTMENT

Section 2. Scholarship and Financial Assistance

- 2.1 On the basis of academic performance and exemplary abilities and skills, the University grants scholarships (entrance, resident, and special grants) as well as financial assistance (service grant-in-aid, student loan, and work-study plan or student assistantship) to deserving students. These students are given full or partial discount on tuition and other school fees and, in certain cases, other privileges like stipends.

THE COUNTRY'S 1ST POLYTECHNIC U

PUP STUDENT HANDBOOK | 21

- 2.2 Information regarding scholarships and financial assistance is available at the Scholarship and Financial Assistance Services Office (SFASO). The brochure/handbook on Scholarship and Financial Assistance Rules and Regulations contains detailed descriptions of the different categories of scholarships and financial assistantships, as well as the procedures for application for and approval of scholarship/grant in-aid, and the responsibilities of a grantee. The various special grants as well as the terms and conditions of each grant are also described in the brochure available at the SFASO.

Section 15. *Graduation with Honors*

- 15.1 The University Registrar in close coordination with the Information Communication Technology Office shall determine and recommend to the University Honors' Committee a student who completes his/her baccalaureate course with any of the following weighted averages to graduate with honors:
- a. Summa Cum Laude – 1.0000 to 1.2000
 - b. Magna Cum Laude – 1.2001 to 1.4500
 - c. Cum Laude – 1.4501 to 1.7500
- 15.2 The guidelines on graduation with honors shall be as follows:
- 15.2.1 Only final grades shall be considered in the computation of the general average.
 - 15.2.2 A student's final grades during his/her last school term shall be submitted 30 days before the date of graduation.
 - 15.2.3 In the computation of the final averages of a candidate for graduation with honors, grades in all accredited academic subjects in the curriculum shall be included.
 - 15.2.4 Every candidate for graduation with honors must: (a) have carried the normal load prescribed in his/her curriculum, except in the last semester; (In the night school, 15 units per semester shall be considered the normal load), (b) have completed in the University at least 75% of the total number of the academic units or hours required for graduation; (c) have been in residence for at least three years immediately prior to graduation; (d) have no final grade lower than 2.5 and/or "Incomplete" which is not completed within the prescribed period, withdrawn or dropped in any academic subject whether prescribed or not in his/her curriculum which he/she has taken in the University, or
