

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES  
COLLEGE OF ENGINEERING  
**COMPUTER ENGINEERING DEPARTMENT**

**O.1 The offices and staff rooms are adequate and conducive to working environment**

The Administrative Offices are easily to access within the building because all of the rooms are properly marked and it is conveniently located in accordance to their function. Administration, faculty office and staff offices are clean and well lighted and ventilated by the proper schedule of maintenance. There are available communication systems inside the office for their communication and there is enough equipment, furniture, supplies and materials inside the office. Thus, the admin offices, staff rooms are adequate and conducive to working environment.
