

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES
COLLEGE OF ENGINEERING
COMPUTER ENGINEERING DEPARTMENT

O.1 The Accreditation Center is well-equipped and managed.

The Accreditation Center is accessible and conveniently located inside the Campus. It is equipped with working tables and chairs, cabinets for display and filing of documents. There are enough cabinets for the documents that is needed for the accreditor. The Accreditation Center is well planned with good ventilation and lighting and there is a lounge provided for the visitor.

The canteen, cafeteria or food center is well patronized by the Admin Personnel, Academic Personnel and Students. The attached documents proved that the food center is well patronized and serve food that is healthy and affordable by the customers. Provided with potable water supply, dining tables and chairs.

All documents needed are filled, well packed and readily available in the Accreditation Center and managed by a qualified committed staff and faculty.
